Olympia, WA 98504-2589

DECLARATION OF WASTE PESTICIDE

Waste Pesticide Identification and Disposal Program

ID. No.
Sample

PRODUCT OWNERS NAME:	DATE:
MAILING ADDRESS:	COUNTY:

IMPORTANT: The pesticide products listed on the attached Waste Pesticide Identification and Disposal program participant Inventory Form and / or Bill of Lading have been examined by the Washington State Department of Agriculture. Those products meeting the definition of a waste pesticide as defined in WAC 16-228-010 (24) have been accepted for disposal in accordance with RCW 15.58.045. Once released by the owner, the department will take possession and properly dispose of these unusable pesticides in accordance with state and federal requirements.

RELEASE: Those products accepted by the department are hereby released by the owner or the owner's representative to the Washington State Department of Agriculture for proper disposal.
